

Introducing the new Mobile WorkSpace from EDP Europe

Low-cost, Height-adjustable Computer Cart

Our new computer cart supports your mobile computing needs today and tomorrow. Features 20+ inches (51cm) of height adjustment (work sitting or standing), small footprint, rugged open architecture and a fleet of accessories. Versatile design configures for laptops or LCDs.

All carts are delivered to each location in a flat pack format on a pallet or alternatively have our installation team meet the delivery and assemble the carts for you!

Options:

- Laptop Mount
- PC / UPS Stand
- 17" or 19" LCD Screen with Keyboard and Mouse
- Pre Assembled Option with Screens Fitted, if requested
- Installation Service on Client Site
